Re: Michael Kors, LLC v. Ye et al., No. 18 Civ. 02684 (LGS)

Dear Hon. Judge Schofield:

We write in connection with the above captioned-matter. As explained in our letter dated April 16, 2018, our firm has been contacted by Defendant Su Yan Ye in connection with this matter and is still in the process of formalizing representation. Additionally, the parties have begun to discuss settlement. Therefore, in the interest of judicial economy, we write to request an extension of time from May 16, 2018, until June 15, 2018, for Defendant to answer or otherwise move with respect to the Complaint. One prior request for an extension has been made by Defendant and granted by the Court.

For the same reasons, we also request that the Initial Conference be adjourned by at least thirty days to a date thereafter that is convenient for the Court. No prior request for an extension has been made concerning the Initial Conference.

Counsel for Plaintiff has consented to these extensions.

Respectfully submitted,
